TABLE OF CONTENTS

Our Mission Statement

Holy Childhood of Jesus Catholic School welcomes all students from preschool to eighth grade who seek growth within the Catholic faith. Our mission continues what you have started at home, and we strive to develop the spiritual, academic and social aspects of your child in a safe environment. Our school serves students from Mascoutah, Scott Air Force Base, and the surrounding communities. We inspire, challenge, and nurture the mind, body, and spirit of our students within the framework of the Gospel of Jesus and the tradition of the Catholic Church. Holy Childhood of Jesus Catholic School provides a rich opportunity to grow in the faith that emphasizes academic excellence, personal responsibility, and service within the community.

Our Philosophy:

Challenge students to achieve academic success according to their potential.

Teach and give witness to the beliefs and values of Catholicism.

Involve parents as primary educators, along with the pastor and patrons, in the programs of the school.

Respect the dignity of all persons, without discrimination on the basis of race, sex, religion, or economic status.

We welcome you to our family! Act now to place your child in the hands of faith at Holy Childhood of Jesus Catholic School.

VISION STATEMENT

The vision of Holy Childhood School is to continue to educate, inspire, and challenge our students to become life-long learners and strong, faith-filled individuals. We strive to provide our students with the necessary knowledge and skills needed to be effective citizens and leaders in our future world. Our goal includes developing an environment where students, teachers, staff, parishioners, and school families work together toward the ultimate goal of knowing, loving, and serving God and others today and into the future.

PARENTAL COOPERATION

We believe school and parent cooperation is essential to the emotional and academic development of children. It is in this spirit that we at Holy Childhood of Jesus Catholic School have adopted the following policy: *Holy Childhood of Jesus Catholic School expects parental cooperation and support regarding all school policies and procedures as the criteria for your child's continued enrollment.* We want you to be a part of the school – You are a valuable addition to our staff.

PRINCIPAL'S/PASTOR'S RIGHT TO AMEND THE HANDBOOK

This Parent/Student Handbook contains established policies and procedures for the 2018-2019 school year. Since it is not possible for a Handbook to address every situation that may arise during a school year, the school administration reserves the right to amend or revoke the policies and procedures in this Handbook at any time as circumstances may require. When changes are made to the Handbook, parents and students will be informed of the change in writing in a timely manner, and this will include a statement about when the change will take effect.

LINE OF AUTHORITY AND APPEAL

Experience has shown that, occasionally, a small disagreement can sometimes develop between people even with the best of intentions. If not properly addressed, small differences can grow into a larger problem. We have found success when both sides make every attempt to solve small problems at the lowest level of concern, i.e. by the persons most directly involved. However, if that process just is not working, Holy Childhood of Jesus Catholic School has a line of authority and appeal in the case of a grievance which will resolve the problem at the lowest level.

You can appeal to higher authorities in the following order:

- The teacher, or appropriate staff person
- The Principal
- The Superintendent of Holy Childhood Parish (Pastor)

CONFLICT MANAGEMENT

Managing conflict between parents, staff and teachers involves building personal and collegial relationships rather than harming them. Collaboration, through teamwork and cooperation, will help everyone achieve their goals while maintaining positive relationships. When conflict arises, both sides should make every attempt to solve problems at the lowest level of concern, i.e. by the person most directly involved. However, if that process just is not working, Holy Childhood School has a line of

authority and appeal in the case of a grievance which will resolve the problem at the lowest level.

You may appeal to higher authorities in the following order:

- The teacher, or appropriate staff person
- The Principal
- The Superintendent of Holy Childhood Parish (Pastor)

ADMISSION POLICIES

NON-DISCRIMINATION

Holy Childhood of Jesus Catholic School admits students of any religion, gender, race, color, or national ethnic origin to enjoy all the rights, privileges, programs, and activities accorded to or made available to students at the school. The School does not discriminate against students on the basis of religion, gender, race, color, or national ethnic origin in the administration of its educational policies, scholarship, local programs, and athletic and other school-administered programs.

ADMISSION

A student must be 5 years of age by September 1st to enter Kindergarten. Students must be 6 years of age by September 1st, or have successfully completed an accredited Kindergarten program to enter first grade.

PRIORITY LIST FOR ACCEPTANCE

Holy Childhood of Jesus Catholic School has established a priority system to accept new students in preschool and the higher grades. School officials will use this priority system if there are more applicants than available classroom space. We will add students on a wait list in the order we receive the application for enrollment and payment of registration fees.

Preschool (Final decisions made on May 15th)

- 1st Priority: Those families with children presently enrolled in Grades K-8 or in the four- or three-year-old preschool program at Holy Childhood of Jesus Catholic School.
- 2nd Priority: Those who are registered parishioners of Holy Childhood of Jesus Catholic Church or St. Joseph Catholic Church in Lebanon and cooperating parishes.
- 3rd Priority: Those who are registered Catholics from other Catholic parishes.
- 4th Priority: Dated submission of application plus paid registration fees.

ADMISSION TESTING

Pupils entering kindergarten for the first time are usually given a reliable readiness test. All transfer students may be tested, if needed, to assure appropriate placement.

CLASS SIZE

Holy Childhood of Jesus Catholic School will use the following guidelines regarding class size:

Preschool 3 year old: 16 students per class (with teacher assistant);

Preschool 4 year old: 18 students per class (with teacher assistant);

Kindergarten and Grade 1: 24 students per class;

Grades 2 and 3: 26 students per class;

Grades 4-8: 30 students per class.

Provisions are in place if the above numbers are exceeded.

ATTENDANCE

We expect each student to be present every day school is in session. You should know that daily attendance is a key to quality education. You should also understand this policy helps guarantee the safety of children attending Holy Childhood of Jesus Catholic School by alerting the staff that both you and the school staff are aware that your student will be absent for a known length of time on a specific date.

Regular attendance is important to the success of classroom work and pupil development. A student who is frequently absent or late for the start of school is not receiving all the advantages our school has to offer. As a result, persistent absences and tardies can result in the following:

Conference with the principal

Referral to the truant officer

Dismissal from school.

**AFTER 5 ABSENCES PER QUARTER, THE PRINCIPAL
MAY REQUEST A PARENT/GUARDIAN CONFERENCE
TO ADDRESS THE SITUATION.**

Absence Procedure

If your child will be absent from school, you must call a school staff member in the office (566-2922) by 8:00 a.m., or leave a message on our answering machine at any time. A parent is required by law to telephone or send a note to school before 8:00 a.m. on the day of the absence.

We expect the absent child to make up work he or she has missed during the period of absence. Any written work or test not completed is counted as a failure grade. When you call the school office to tell a staff member your child will be late or absent, please advise your child's teacher sufficiently early to arrange for makeup homework. You may obtain makeup homework at 3:00 or request that it be sent home with another child.

If a student becomes ill and must leave the campus after the start of the school day or misses the entire day, he/she may not attend after-school or evening functions.

Perfect attendance awards are given to children who are neither absent nor tardy throughout the year.

TARDY AND ABSENCE

Policy 5113

It is the policy of the Diocese of Belleville that the following guidelines be used when a student is tardy or absent:

1. When a student arrives at school late but within 30 minutes of the beginning of the school day, the student will be considered tardy.
2. When a student arrives at school after 30 minutes of the start of the school day, the student will be considered as 1/2 day absent.
3. If a student arrives at school within an hour or leaves to go to the doctor or other appointment and returns within one hour, the student will not be considered as absent. If the student is gone for more than one hour, the student will be considered as 1/2 day absent. If a student leaves school within one hour of normal dismissal, the student will not be considered as absent.

When a student is tardy (after 8:00 a.m.), excluding those riding on a bus, they must be signed in at the office by a parent/guardian.

After three unexcused tardies, a yellow slip will be given.

ACADEMIC POLICIES

ACADEMIC NEEDS

Holy Childhood of Jesus Catholic School will meet the academic needs of our students. Continued enrollment at Holy Childhood of Jesus Catholic School depends on the school's ability to provide for the academic needs of each student. When the school believes that it cannot adequately provide for the academic needs of the student, the principal will provide recommendations in an academic setting that best fits the needs of the child.

Grades K-1: Due to the nature of primary learning, primary teachers may use a different grading system. If you are in doubt about the grading system used in your child's class, please contact your child's teacher.

Grades 2 – 8: Students will receive letter grades (A-F) in Religion, Reading, Math, Science, Social Studies, English, Spelling, and Phonics (Gr. 2, 3 & 4).

Religion: Religion is taught every day in all grades. As our mission statement explains, the spiritual development of a child is an integral component in the education at Holy Childhood of Jesus Catholic School. When a teacher awards a letter grade in the Religion class, the grade is the evaluation of the student's literacy in the Catholic faith. It does not reflect the student's inner spirituality.

Report Cards: Report cards may be viewed quarterly on Fast Direct. Grades are available to parents and students via Fast Direct.

Honor Roll: Students in Grades 5-8 who obtain a 3.4 GPA or better will be placed on the quarterly honor roll. High honor roll is 4.0.

Jr. Beta Club: Students in Grades 6-8 who obtain a 3.4 GPA for two consecutive quarters are eligible to join Jr. Beta.

Mid-Quarter Reports: Halfway through each quarter parents may view mid-quarter progress reports on Fast Direct. We invite you to contact your child's teacher for ways to help your child improve. Teachers will contact parents whenever they feel a child is having difficulty.

Planners: Students in Grades 1-8 will be required to use a school planner as an organizational tool. One planner is given to each student at the beginning of the school year. Please check your child's planner daily for homework assignments, comments by teachers, and important information. There will be a replacement cost of \$5.00 for lost planners.

Policy 6154

HOMEWORK – School work done at Home

The purpose of assigning homework for pupils in our Catholic school shall be to reinforce student confidence in abilities and used to practice for understanding.

Homework is:

1. used sparingly, assigned strategically after it is carefully thought out and connected to an appropriate learning standard.
2. reviewed immediately the next class day after assigning when it is due.
3. brief with students having the opportunity to complete it within the school day.

Homework is not:

1. assigned as a punishment.
2. assigned when any test is scheduled for the subject the following day.
3. used to introduce new material to the students.
4. used merely to keep the students busy.
5. to influence or count toward quarterly or semester grades.

Adopted: May 9, 1996

Revised: March 20, 2018

**The Most Reverend Edward K. Braxton
Bishop of Belleville**

Homework

Homework is another key to quality education and a great opportunity to learn. Ordinarily students may have homework each weeknight. Students are responsible for completing homework assignments and submitting the work on time. Students will be given one warning for missed homework per quarter per subject (5-8). ***If a student fails a second time to submit homework, the teacher will contact the parent.***

When a parent/guardian is concerned about a child's progress, she/he is encouraged to contact the child's teacher.

Any missing or incomplete (50% or more incomplete) homework after the warning will result in no credit given and homework must be completed and a W.I.N. slip will be sent home for the parents' signature.

Primary grades (K-4) will be given one warning per quarter per semester.

Repeated missing or incomplete homework will result in a problem-solving meeting with the teacher, parents, student and principal.

If a student misses class for any reason, the work missed will be assigned as homework. This work must be completed and returned to school as designated by the classroom teacher.

Homework for absent students should be picked up at the end of the day **no earlier than 3:00 p.m.** in the school office. Since teachers are teaching full time and assignments may change, it is very difficult to get homework ready before this time.

VACATION

We generally discourage vacation during school; yet, if it happens, all homework and tests must be completed in a timely fashion.

PROMOTION

Students are eligible for promotion following completion and mastering of grade level curriculum.

STUDENTS

Regulation 5123

Retention/Acceleration

When a teacher and/or parent believes that retaining or accelerating a student would be in the student's best interest, the following procedures must be adhered to:

1. The teacher shall inform the principal when he/she is considering retention or acceleration of a student. The teacher should give reasons for this consideration. If the request for retention or acceleration of a student comes from the parent, the teacher shall inform the principal of the parent's request and the reasons for this request.
2. The teacher and parent shall meet during the school year to discuss the student's attitude, behavior, and academic progress. Discussion of student's progress should take place every four weeks, with a written account of meetings kept on file. The teacher shall inform the principal of the times and dates of these meetings prior to the meeting. The principal may find it advisable to attend these meetings.
3. The principal shall see that the student is evaluated through adequate testing to discover a student's academic and emotional needs and abilities, strengths and weaknesses.
4. The level of the student's physical, social, and psychological growth must also be taken into consideration and evaluated.
5. The decision to retain or accelerate a student should be a cooperative one of parent, student, teacher and principal, with the final responsibility for a student's retention resting with the principal.
6. Before a final decision is made to retain or accelerate a student, the case must be reviewed by the Office of Education.
7. Parents must be informed at least 9 weeks before a final decision is made to retain a student.

The decision to retain a student can only be made if the school has an instructional program which ensures that the student will not simply be repeating the same material in the same manner for another year. This instructional program should be designed to meet the specific needs of the individual student and must be approved by the principal.

Generally, retaining a student in a grade for a second year or accelerating a student into an advanced grade is not advisable. However, in specific cases repetition of the grade or acceleration by a particular student may be beneficial because of the special circumstances that are clearly evident through the thorough evaluation process stated above.

There are two parts to each record: a permanent record and a temporary record.

Information Release Form

Written permission from a parent or guardian must be given before information can be sent to another school regarding a student. It is recommended that at the beginning of the school year the *Information Release Form* should be used by all parents or guardians for the necessary transactions of confidential materials. These materials include the permanent record, the attendance record, and the health record, or any other records confidentially placed in the student's file. These forms should be kept on file during the school year.

Record of Transferred Student

A *Record of Transferred Student* form must be filled out and retained whenever a student transfers to another Catholic or public school. This form is to be kept on file permanently in the school from where the student transfers.

At graduation, the *Record of Transferred Student* form is sent to the Office of Education for microfilming/scanning, along with the other permanent records.

Transferring Student Records When There is an Outstanding Balance

When a student transfers from your school to another Catholic or public school and has an outstanding balance an unofficial record of student grades must be sent to the requesting school. An "Unofficial Record of Student Grades" means written information relative to the grade levels and subjects in which a

student was enrolled and the record of academic grades achieved by that student prior to transfer. Such records shall also include the name and address of the school, the name of the student to whom the records pertain, the name and title of the school official transmitting the records, and the date of transmittal.

Student Transfers

If a student transfers from one Catholic elementary school in the diocese to another, the following records are sent to the school where the child will be attending:

- 1) Permanent Record
- 2) Attendance Record
- 3) Health Record

If a child is transferred to a public school or parochial school outside the diocese **COPIES** of the following records are sent to the school where the child will be attending:

- 1) Permanent Record
- 2) Attendance Record

The **original** health record should be forwarded to the new school and a copy retained in the school along with the *Record of Transferred Student* form.

Graduate Transfer

The *Graduate Transfer* form is completed for each student entering high school the following academic year. This transfer form, if desired or requested, is sent to the Catholic or public high school where the student will transfer. This should be done immediately following the January grading period.

STUDENTS

Conduct

Code of Catholic/Christian Conduct Covering Students

Attendance at Catholic elementary and secondary schools in the Diocese of Belleville is at the will and discretion of the particular school. As such, attendance and enrollment may be terminated at any time when the school determines that continued enrollment would not be in the best interests of the students, the school, or the educational purposes of the school.

All students who attend any Catholic elementary or secondary school in the Diocese of Belleville are expected, as a condition of continued enrollment, to conduct themselves in a manner consistent with the policies and principles of the school. These principles are set out in the student handbook and in the mission and purpose of the Catholic school, as determined by the school.

Conduct by a student that the school determines is contrary to, or inconsistent with, the Catholic/Christian principles of the school, is grounds for terminating the student's enrollment in the school. These principles and expectations apply to students both on campus and off campus during school (e.g., extended care, athletics, field trips, etc.) and non-school sponsored programs and events. These principles and expectations apply during and after school hours, and during times when school is in session and when school is out of session.

The school, in its discretion, may determine how to deal with any particular conduct or pattern of conduct depending upon the nature and severity of the problem, surrounding circumstances, and prior record. In some instances, the conduct may be of such a nature that immediate withdrawal may be determined to be appropriate even if it is the first such instance. In cases where the conduct is not as severe or serious, problems may be dealt with using other forms of corrective action, including but not limited to a written warning, suspension from the school, and not participating in or attending parish/school activities, volunteer work, etc.

The school's procedures for appeal shall be available to students and parents when this policy is implemented.

The students' interest in receiving a quality, morally-based education can best be served when students, teachers and school officials all work together and set a proper example. Normally, differences between these individuals should be resolved as quickly as possible. In some instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child/children when the situation is warranted.

BEHAVIOR POLICY

It is important to note that any discipline code at a Catholic school must be interpreted in light of a number of foundational principles:

- Confidence in teacher/staff judgments
- Basic common sense
- “What would Jesus do?”

Please keep those principles in mind as our behavior code is presented.

In addition to the academic/classroom aspect of education, certain behaviors are also expected of our students as we strive to be a community that lives by Gospel values:

A. Christian Community

- Respect other students and adults as sons/daughters of God
- Respect authority of Pastor/teachers/adult leaders
- Treat all people with kindness and care
- Never use bad language, rude behavior, or physical force on another person (‘harassment’)
- Never threaten or bully another person
- Never engage in inappropriate social behavior
- Never make comments that convey a racial or sexual connotation

B. Regulations to Follow

- Respect for school, others and personal property
- Observe uniform rules
- Observe school safety standards
- Observe library, playground, cafeteria and recess guidelines
- Never engage in activity that threatens the safety (physical, emotional, psychological) of the community.

BEHAVIOR POLICIES

Responsible self-discipline in students is another key to quality education. Students are expected to practice Christian behavioral techniques and attitudes. Misbehavior, physically harming another person, disrupting the learning environment, lying, cheating, sarcasm toward school staff, or the use of inappropriate language will be dealt with firmly.

Each classroom at Holy Childhood is organized in such a way that positive behavior is reinforced, in order to ensure responsible self-discipline in the students.

W.I.N. (Will Improve Now) FORMS

Whenever a student acts inappropriately, a staff member will issue a W.I.N. (Will Improve Now) form to that student. This form describes the student's inappropriate behavior and requires the signatures of the student, teacher and parent/guardian. Your signature indicates that the child's behavior has been discussed at home.

The W.I.N. form must be returned to the homeroom teacher.

The following list highlights examples for which a student may receive a W.I.N. slip.

A. Yellow W.I.N. Slips

- a. Chewing gum or eating without permission
- b. Bringing stuffed animals, toys, gadgets, CD's, CD players, tapes, radios, electronic devices at any time except on teacher-designated occasions.
- c. Violating the dress code
- d. Play fighting
- e. Missing or incomplete homework
- f. Disrupting the learning environment of students
- g. Inappropriate language

The yellow W.I.N. slip is a communication tool. While you may or may not agree with the contents, we expect you to return the slip to acknowledge the communication from the teacher to you.

Three yellow slips in homework, uniform violation or behavior will result in an orange W.I.N. slip. The orange W.I.N. slip will be issued on a quarterly basis.

Orange W.I.N. slip consequences could result in:

- Conference with parents
- Loss of privileges
- Suspension
- Expulsion

Students not returning a signed W.I.N. slip:

- 2nd day, call to parent
- 3rd day, lunch and recess in the office until signed slip and original missing work is returned.

STUDENTS

Student Conduct and Safety -- Policy 5142

A safe, respectful, and pleasant environment that is conducive to prayer, faith formation and learning is the highest priority for all schools in the Diocese of Belleville.

Possession of Weapon

Students who engage in serious violent behavior and/or in possession of a weapon are subject to a variety of penalties. The principal of the school will take immediate action upon learning that a serious act of violence or a possession of a weapon has occurred. This action includes, but is not limited to, immediate suspension of the student into the custody of parent/guardian. When a student is suspended, a satisfactory psychological evaluation by a licensed mental health professional must be completed prior to the student being allowed to return to school. These penalties may include not only a multiple-day suspension of, up to and including, ten days but also expulsion. The principal shall determine whether the results of the psychological evaluation would allow for an acceptable re-entry of the student to the school.

The ban on possession of any type of weapon should be stated in the student/parent handbook. Weapons include firearms, ammunition, sling shots, stun guns, any type of knife (including pocket knives), mace, pepper mace, explosive devices or any other object or device that serves no educational purpose and which the principal determines may cause physical harm or disrupt school activity. Students should clearly understand that such things as a pocketknife may not be carried to school, even if there is no intent to use it in a harmful manner. Expulsion or suspension, will be levied on any student who is found to be in possession of a weapon to, from, or within the school; or to, from, or at any school activity. Any student determined to be in possession of a weapon, or who committed a crime against any person/s will be reported to the police.

Each school may elect to formulate its own policy and procedures permitting their students to possess small canisters of pepper spray of the type legally permissible for the general public to purchase and carry for personal security. In general, such canisters shall have a capacity of less than two ounces and contain no more than 5 percent pepper substances.

Harassment, Threats, Theft, Arson, Assault and Battery

Students who engage in acts of harassment, threats, theft, arson, assault and battery are also subject to a variety of disciplinary measures. These measures may

include, but are not limited to, warnings, probation, and multiple-day in or out of school suspensions, expulsion and restitution.

The principal shall determine when an act of harassment, threats, theft, arson, and assault and battery (fighting) reaches a level of seriousness that would engage the disciplinary response mentioned above. Each local school board shall establish, in consultation with the principal, a local policy stating the criteria regarding levels and types of severity. These determinations would include: cost, damage, level of injury, types of theft.

Further, it shall be the policy of the Diocesan Board of Education that the school shall recover damages from the parents or guardians of any minor, or from any person who has initiated or taken part in such acts.

SEARCH AND SEIZURE

Investigative Procedures

The administration of the School is free to enter a student's locker, desk and school bag any time to search for questionable items. Students shall not have any expectation of privacy as it relates to school lockers, school bags or desks. The school is owner of all lockers and desks and shall retain full control of their use and content. Therefore the school reserves the right to search them at any time without notice. Searches may also be selective and carried out even if there are no reports of wrongdoing. If illegal or improper items are found in a student's locker, desk or school bag (e.g. non-prescription drugs, weapons, stolen property), they will be turned over to law enforcement authorities. Any items (personal possessions) that violate school rules will be kept by school administration and returned to the parents.

The school also reserves the right to search a student's vehicle when it is on school grounds and/or when attending a school sponsored function off school grounds.

However, when a situation arises that requires a search of a student; a student will be asked to empty his/her pockets or purse. If a student voluntarily empties his/her pockets and/or purse, this will not be considered an invasion of the person. Body searches will not take place. If a student does not voluntarily comply with the administrator's request, the student's parent will be called and expected to come to the school and conduct the search in the presence of a school administrator. A parents' refusal to comply with the request is grounds for immediate expulsion.

STUDENTS

Suspension and Expulsion

The expulsion of a child from a Catholic school in the Diocese of Belleville is a serious action. It shall be invoked only after due consideration of all other possible solutions.

The principal shall use every means available to discover the cause of the problem and shall exhaust all appropriate remedies, such as, consultation with the parent(s) or guardian(s) and possible referral to appropriate counseling or medical assistance, prior to an expulsion.

All expulsion situations and reasons shall be documented. An expulsion shall be the result of a student seriously violating moral principles, civil laws, or seriously endangering the safety and welfare of other student(s), school personnel, and be known to the student and student's parent(s) or guardian(s).

A written record shall show that there were previous incidents which took place prior to the expulsion, and that a number of documented conferences were held with the parent(s) or guardian(s) to discuss the problems and infractions of the student. Accurate records of the time, place and substance of the material discussed shall be kept by the principal. The record shall show whether the student has been placed on probation or has been suspended, so that the student is fully aware of the consequences of subsequent misconduct.

It is generally not expected that expulsion will be the first action invoked against a student. There may be cases in which the one incident is serious enough to warrant immediate suspension followed by expulsion. The Director of Education for the diocese and the pastor, in cases of elementary schools, shall be notified and involved in all deliberations and shall approve the principal's recommendation for action.

Suspension From School

A student may be suspended by the principal for gross disobedience and misconduct. Each individual suspension of a student shall not exceed ten school days. Any suspension shall be reported immediately to the student's parent(s) or guardian(s) and to the pastor along with a full written statement of the reasons for the suspension. No student will be sent home on suspension unless the parents have been reached and expect the child home early. At the elementary level, a conference between the parents, principal and pastor will precede the student's return to class. At the high school level, a conference between the parents and principal should precede the student's return to class.

Any academic ramification of suspension shall be determined by the principal at both the elementary and high school level.

Expulsion From School

When all other means have failed and expulsion is being considered, the following procedure shall be followed:

- 1) The student will be suspended for a period not to exceed ten school days.
- 2) The parent(s) or guardian(s) shall be immediately informed in writing of the

- suspension, and that expulsion is being considered.
- 3) The principal shall meet with the pastor to review the merits of the expulsion.
 - 4) When a decision for expulsion has been determined, the principal shall review the decision with the Diocesan Director of Education, along with the pastor, before an expulsion can be implemented.
 - 5) Parents who are dissatisfied with the action taken by the principal shall have recourse to the local board of education, education committee and/or parish council as determined by local board policy. Decisions can only be overturned when local and diocesan policies and regulations were not appropriately followed.
 - 6) In the event of an expulsion, the principal will cooperate with the parents in attempting to make arrangements for the future education of the pupil in another school.

Confidentiality

All parties involved in determining a suspension or expulsion of a student shall keep all information confidential.

SERIOUS DISCIPLINE SITUATIONS

Sometimes a student's inappropriate behavior is so serious that it warrants a suspension, expulsion, or police notification. If a student is found to be in violation of the law, i.e. possession of illegal drugs, weapons, etc., the incident will be reported to local law enforcement authority. If law enforcement officials make a request to speak with a student or students, the administration will follow the procedures set by the Diocese.

SUSPENSION

The following may be causes for suspension from Holy Childhood of Jesus Catholic School:

- Deliberate fighting (verbal, non-verbal, or physical)
- Leaving school grounds without permission
- Endangering the health or safety of a student or teacher
- Repeatedly disrupting class so that other students cannot learn
- Repeatedly using inappropriate language or actions (sexual harassment)
- Verbal and/or written threats to anyone
- Smoking, possession of drugs or alcoholic beverages

The length of time a student will be suspended depends on the seriousness and frequency of the violation.

The process for the handling of suspension is:

Suspensions can be in school or at home depending on situation.

The student must make up all school work missed while suspended and will receive a "0" on their work.

A student-parent/guardian-principal conference may be held before the student may return to school or class.

After the second suspension, the student will be placed on probation.

After the third suspension, the student faces expulsion.

EXPULSION

Expelling a student is extremely serious. If a student is expelled, she/he will not be allowed to re-enroll in Holy Childhood of Jesus Catholic School.

Incurring 3 suspensions may be cause for expulsion.

The following are causes for immediate expulsion from school:

Carrying weapons or any item that appears to be a weapon.

Carrying, handling, using, or selling drugs or alcohol.

Verbal and/or written threats to anyone.

Student Conduct and Safety – Threats of Violence – Policy 5142.1

The safety and welfare of students enrolled in a Catholic school in the Diocese of Belleville is of the highest priority. For this reason, a student's written or verbal threat of violence toward other students and/or persons within the school will be taken seriously. For the purpose of this procedure, a threat of violence will be interpreted as a verbal or written threat of action that may cause physical harm to others.

The principal of the school will take immediate action upon learning that a threat occurred. This action includes non-disciplinary suspension of the student into the custody of parent or guardian until a satisfactory psychological evaluation by a licensed mental health professional is completed and the principal agrees that the student may return to school.

The local police will be promptly notified of the threat.

BULLYING

1. Bullying is repeated harassment and attacks on others; when someone tries to take power over another.

2. This is done by individuals or groups.

3. Three components of bullying behavior:

- a) Punitive – aimed at hurting or punishing targeted individuals
- b) Power imbalance – when someone takes power over someone else
 - √ Physical imbalance – a stronger, more physically dominant individual usurps authority over a smaller, less strong individual.
 - √ Psychological imbalance – intellect or social status determines dominance.
- c) Repetitive – a repeated even systematic act over time.

4. Bullying includes:

- Physical violence and attacks.
- Verbal taunts, name-calling and put-downs.
- Repeated negative behavior from one or more individuals.
- Threats and intimidation.
- Extortion or stealing of money or possessions.
- Exclusion from a peer group.
- Racially or ethnically-based verbal abuse and gender-based putdowns are also found in the bullying situation.
- Cyber-bullying – *“Cyber-bullies are using [technology] to spread rumors, threaten people and generally make life miserable for their victims at will, and throughout the day and night”* (Glenn Stutzky).

5. Three types of bullying behavior:

- Physical bullying – harm to another person’s body or property.
- Emotional bullying – harm to another’s self-worth.
- Social bullying – harm to another’s group acceptance.

Reports of student misbehavior will be documented and appropriate action will be taken.

CONSEQUENCE PLAN

Restrict the student's activities in the location in which the incident occurred or an appropriate consequence (e.g. student must not use the restroom with other students, and must sit out recess for two days). File a report with the program director. It will be recorded in a behavior log and present a yellow slip to the student.

Third Incident: Intervene. Identify the behavior as bullying. State your expectation that the student will not engage in bullying behavior. In conjunction with the administrative office, contact the student's family. Arrange a meeting with the principal and classroom teacher. Assign the student the "Think About It" worksheet and present a yellow slip to the student.

Suspension and Expulsion

Alcohol Use/Drug Abuse by Students

The use, possession, distribution or sale of mood altering chemicals, including alcohol, by students is prohibited on school property or at school-sponsored activities or events. Disciplinary action will be taken in instances of violation of this policy. This includes the misuse of medications prescribed by the student's physician.

The Diocesan Board of Education recognizes the complexity of problems which may be associated with alcohol and drug abuse. The primary concern is for the well-being and best interests of the students. At the same time the Board recognizes their obligation to the parents or guardians and to the community. As a part of this obligation, it is, at times, necessary that suspension and/or expulsion be recommended in a case of alcohol or drug abuse.

A student who is suspended or expelled under this policy may seek readmission. No such student will be readmitted, however, unless there is written evidence from a certified psychologist or psychiatrist to show that the student is engaged in a counseling program designed to rid self of the abusive behavior.

HEALTH POLICIES
PHYSICAL, DENTAL AND VISION EXAMS

Physical Examinations:

The State of Illinois requires by law all students to have a physical examination on file at school. Students must complete a physical examination upon entering Grades K, 6 and 9, and all new students enrolling from out-of-state. Each student's health records must meet the standards set by the Illinois Department of Public Health, and be complete and on file by October 1st. The health history must include a complete immunization history. Any student in violation will be excluded from school until the state health requirement is satisfied.

Dental Examinations:

Illinois law mandates students entering Grades K, 2 and 6 to have a dental examination. The child is to present proof of having been examined by a dentist by May 15th of that school year. If no proof is presented, the school may hold the report card until proof of exam is given, or proof of a scheduled exam to take place within 60 days after May 15th.

Physical Exams/Immunizations

All students attending a Catholic school in the Diocese of Belleville are required to be in compliance with the law of the State of Illinois (105 ILCS 5/27-8.1) in regard to health examinations and immunizations.

Exemptions from the immunizations and health examinations on religious grounds are not accepted for students in a Catholic school in the diocese because the Catholic Church holds no position in opposition to immunizations. Therefore, all students who attend the Catholic school must be immunized regardless of religious affiliation.

An exemption may be granted on the basis of medical reasons if verified by a Medical Doctor (M.D.) or Doctor of Osteopathy (D.O.) in written documentation. This is to be sent to the Office of Education for approval prior to the full acceptance of the student in the school.

COMMUNICABLE DISEASE

Schools share the responsibility for communicable disease prevention and control with parents and community health officials. When the school administrator becomes aware of a child with a chronic communicable disease such as, but not limited to herpes, AIDS, hepatitis, the administrator will follow procedures set by the Diocese of Belleville. Faculty and parents will be informed of any occurrence; however, individual health privacy will be maintained. All HIPAA Laws will be strictly enforced. Additional information may be found in the Diocese of Belleville Principal Handbook, pages J1-1 through J1-10.

MEDICINE

Acutely ill students will be sent home. Students convalescing from an acute illness should remain at home until the need for medication no longer exists. Students may not have drugs of any kind in their possession on the school grounds. With the exception listed below, medications will not be administered at school.

Special health conditions may arise that can be expected to last for several days. When such a condition exists, the school will follow this policy:

A. PRESCRIPTION MEDICATION

To assure school attendance for students who must use medication in the treatment of chronic disabilities or illness:

1. Written orders (must be on the Diocesan form) from a physician detailing the name of the drug, the dosage, and time interval the medication is to be administered.
2. Written request (must be on the Diocesan form) from the parent or guardian of the student that the school comply with the physician's orders, and a statement of permission that the school allow the student to receive the medication.
3. A parent must bring medication to school in a container appropriately labeled by the pharmacy or physician.
4. A staff member in the office will record every medication brought to school and administered to a student on a medication log which will include the date, time, dosage and signature of staff member who gives the student the prescribed dose of medication.
5. Only the principal or designated person shall be allowed to supervise a student taking prescription medication. At no time shall the principal or designated person administer medicine to a student. The student will consume or administer the medication provided by the staff member in the presence of the staff member.

The use of intramuscular or intravenous medication must be prescribed by a physician and administered by a registered nurse (not provided by the school).

B. NON-PRESCRIPTION MEDICATION

1. No non-prescription medication will be dispensed in our school. Non-prescription medication includes aspirin, Tylenol, antacids, antihistamines, and any other medications.
2. Cough drops are permitted with written permission of parents.
3. No topical application of alcohol, peroxide, calamine lotion, or any other medication will be administered at school.
4. If injury to a student occurs, a staff member will use soap and water to cleanse the injured area. If the child requires additional treatment or must be sent home, then a staff member will inform the parent.
5. If your child requires medication while at school, a staff member will call you and ask that you bring the medication to the school office or take your child home.

PREGNANCY

Catholic school Principals and Pastors, in consultation with the Office of Education, shall make the final judgments as to whether pregnant students should be enrolled or retained in school. They shall take every precaution to avert consideration of abortion as an option by the pregnant student. In the light of compassion, mercy and justice, they shall consider each person's case individually, consult with the parents of the student, recommend appropriate counseling resources, and insure confidentiality.

Pregnancy shall not be a reason for expulsion. If the boy is enrolled in Holy Childhood of Jesus Catholic School, the school counselor and a staff member selected by the principal shall meet with his parents and recommend appropriate counseling resources. The results of the meeting shall be confidential. The Principal and Pastor will inform the School Board that they are handling a pregnancy case.

MARRIAGE

The Principal of Holy Childhood of Jesus Catholic School shall inform the Pastor immediately upon knowledge of a married student. The Pastor and Principal, in consultation with the Diocesan Office of Education, shall make final judgments as to whether or not a married student should be enrolled or continue enrollment in the school.

LICE

The school can schedule and conduct regular checks for head lice during the school year. Should a student be found with head lice, the staff will contact the student's parents/guardians to request the parent(s) make prompt arrangements to pick up the student. The parent(s) must show proof of proper treatment for the infestation before the student may return to school. Such proof may include a doctor's note stating the problem has been remedied; store receipts for medicine purchased, and empty containers of medication. The staff will conduct another check for head lice seven days after the initial discovery.

INSURANCE

Parents are responsible for providing accident and/or health insurance for their children.

STUDENT SUPPORT SERVICES

A student in need of support services (counseling, social work, educational testing) will be evaluated by the school staff who teach the student, the school principal and parents. A plan will be created and appropriate steps will be outlined to enable the student to receive needed services.

Mandated Reporter/Abuse and Neglected Child Reporting

The Abuse and Neglected Child Reporting Act (1982) mandates that suspicion of child abuse or neglect be reported to the Department of Children and Family Services (DCFS). The law covers all children up to age 18.

According to the Illinois Department of Children and Family Services Manual for mandated reporters, mandated reporters can be classified in seven categories: medical, school, social service/mental health, law enforcement, coroner/medical examiner, child care personnel, and members of the clergy. The Manual provides that mandated reporters are persons who work in one of the preceding seven categories and who may work with children in the course of their duties. Neither the Act nor its regulations state that the work must be paid.

All parish and school personnel, including but not limited to, teachers, PSR catechists, catechists, youth leaders and youth volunteers, coaches, and administrative staff, principals and DRE's, CRE's, directors and staff assistants of day care centers and nursery schools, child care workers and aides, foster parents, agency homemakers, registered psychologists and volunteers who work with children to report in the same manner as mandated reporters.

All mandated reporters are required by law to report suspected child abuse or neglect to DCFS hotline immediately. In addition a written confirmation must also be mailed to DCFS and sent on special forms available from a local DCFS office or by a confirmation letter stating the essential facts within 48 hours of the Hotline call.

The DCFS may ask that licenses/certificates be suspended and/or revoked if it has proof that professional personnel had knowledge of child abuse and/or neglect and did

not report same. When a suspected case is reported to the DCFS, the person reporting the case should inform his/her appropriate authority.

By law, information cannot be withheld on grounds preserving confidentiality. All persons who are mandated to report suspected abuse and neglect are presumed to be acting in good faith. Thus, they are immune from legal liability as a result of a report.

It should be noted that the protection of children is the responsibility of the entire community and that the law provides that anyone may make a report to the Hotline. Therefore, our Diocesan Child Protection Policy requires all parties involved with youth are to follow this policy.

ACM NOTIFICATION

The U.S. Environmental Protection Agency (U.S.E.P.A.) requires all schools to conduct surveys to identify the presence of friable (e.g. crumbly, easily reduced to tiny particles) and non-friable asbestos in their buildings and implement appropriate response actions, as necessary.

An inspection was performed at Holy Childhood of Jesus Catholic School in compliance with these regulations. Furthermore, school administration developed a site specific asbestos management plan that was approved by the Illinois Department of Public Health. This plan describes in great detail how any asbestos exposure will be minimized.

You, as parents, teachers, or others are invited to review the inspection and management plan. The plan is available Monday through Friday from 8:00 a.m. until 3:00 p.m. on the pupil attendance days at the school's administrative office.

ADMINISTRATION

Pest Control and Lawn Care Management Program

In schools pests can best be controlled through a comprehensive pest management program that combines preventive techniques, nonchemical pest control methods, and the appropriate use of pesticides with preference for products that are the least harmful to human health and the environment. Integrated pest management is a good practice in the management of pest populations, and it is prudent to employ pest control strategies that are the least hazardous to human health and the environment.

Pest Control usage means and includes the use of any device or the application of any substance to prevent, repel, mitigate, curb, control, or eradicate any structural pest in, on, under, or around a structure, or within a part of, or materials used in building, a structure; the use of any pesticide, including insecticides, fungicides and other wood treatment products, attractants, repellents, controlling, eradicating, identifying, mitigating, diminishing, or curbing insects, vermin, rats, mice, or other pests in, on, under, or around a structure, or within a part of, or materials used within and around a school building.

It is recommended that written or telephonic notification must be given to the parent/guardian before application of pesticide and should identify the intended time of the application of the pesticide, the areas to receive the treatment, and the name and telephone contact number for the school personnel responsible for the pesticide application program that the parent or student may contact for additional information.

**Approved:
Office of Education
Diocese of Belleville**

Under normal circumstances, all pest control is addressed during vacations – Thanksgiving, Christmas, Easter and summer. If application of a pesticide needs to be applied outside of these times, parents will be notified.

BAND (Grades 4-8)

The band practices as a group. Mrs. McCuddy-Bonsall offers weekly lessons to teach students to play the instruments. There is a \$15.00 fee per month per child, a price that has not changed in a number of years. The fee for the eight months September through April is \$15.00 a month or \$120.00 total. If you would like to pay it in advance, the fee is discounted to \$100.00. ***Please complete the form on the last page of the Handbook.***

BICYCLES

Students may ride bicycles to school. It is the responsibility of the student to make sure that the bike is properly cared for and secured. Holy Childhood of Jesus Catholic School will not be responsible for any bicycle brought to school.

BIRTHDAY/TREATS

We invite you to bring a treat on your child's birthday. Please make arrangements with the teacher first.

You may distribute party invitations during school hours or school functions, including athletics, **only** if all children (or all same gender) in the classroom receive an invitation.

Please do not make (or arrange for) deliveries, such as flowers, balloons, food, stuffed animals, etc., to students at school.

BUS TRANSPORTATION

Students attending Holy Childhood of Jesus Catholic School who reside in Mascoutah District #19 are permitted to ride the District #19 school buses. Holy Childhood students are expected to follow District #19 bus rules.

Students who break these rules are given a Bus Misconduct Report by the driver. A student may suffer the loss of bus transportation based on a Bus Misconduct Report. The first report is usually a warning, but serious violations may result in immediate loss of bus privileges.

School Bus Rules

1. Students are not to put their hands, arms, or other objects out of bus windows.
2. No materials are to be thrown from bus windows or at other passengers inside the bus.
3. Whenever the bus is in motion, all students must be seated.
4. No pushing, wrestling or fighting will be tolerated.

5. Normal conversation is permitted. Do not become loud or use language that could be considered profane or indecent to other riders.

6. All students will face toward the front of the bus after they have taken their seats. This is a well-established safety measure. Also, stay the specified distance away from the emergency exits.

7. Any student has the privilege of occupying any unoccupied space in a bus seat, at the rate of three (3) riders per bus seat. No seat is to be saved for someone else. In bus lines formed by those waiting for a bus, no places may be saved. A student must actually be in line to hold his place.

8. If students wish to bring pets to school for some special occasion, such as science class, arrangements other than bus transportation must be made.

9. There is to be no eating, drinking or smoking on buses at any time.

10. The bus driver has the right to assign students to such seats as he/she may feel are best suited to them.

11. Bus drivers are employed through the school district and the authority of the school over pupils extends from the time they step onto the bus until they leave the bus on the way home.

12. Students are to ride only those buses to which they are assigned. This will help prevent the overloading of buses.

13. Students are permitted to ride to and from school and to established stops. No special stops will be made to on-load or off-load a student. A student may get off at a regular stop other than his/her own by bringing a note from his/her parents to the effect that such a change is necessary. The note is to be approved by the school principal.

14. Students are liable for intentional or careless damage done to school buses.

CELL PHONES/ELECTRONIC DEVICES

Students may bring a cell phone or personal electronic device to school, but the device must be turned off and kept in their backpack. If a student misuses an electronic device, the staff can confiscate the device and a parent must pick it up in the office from the principal or his/her designee.

EMERGENCY PREPAREDNESS

To assure the safety of each student in the event of fire, tornado, earthquake, or other potentially hazardous situations, drills are held periodically during the school year to familiarize students and teachers with emergency procedures. Exiting procedures are posted in each classroom and areas throughout the school building.

SCHOOL FIELD TRIPS

Field trips are only allowed when they have an educational purpose as determined by the Principal. Students who fail to submit the school's permission form prior to the field

trip shall not be allowed to participate in the field trip. Parent telephone calls will not be accepted in place of a signed form.

Field trips are privileges afforded to students. Students can be denied participation in field trips if they fail to meet behavioral requirements established by the school.

Students who use the transportation organized by the school must return to the school using the same transportation.

No cell phones or electronic devices are allowed on single day field trips.

All chaperones and volunteers must have completed the appropriate forms and training according to Child Protection Policy. (See a staff member in the school office for more details.)

Each volunteer/chaperone shall stay with his or her assigned group. Please note supervision is both mental and physical; a chaperone's attention is always on the young people you have been assigned to supervise. For this reason, no chaperone is allowed to bring other children with them regardless of age or relationship.

INSTRUCTION

Interscholastic Athletics - Elementary Level School Athletic Programs

Elementary level school sponsored athletic programs should exist for the full participation and enjoyment of all students. School athletics should be enriching and foster Christian values in keeping with Christian principles of faith development. School athletic programs should be well organized, teach the skills of the games, foster healthy exercise and teach fair play. The non-discriminatory policy of the Diocese, Policy 5111.1 applies to all elementary level interscholastic athletics. All school sponsored athletic programs are to follow Diocesan athletic regulations which are updated yearly.

Adopted: March 20, 1984

Revised: November 15, 2011

**The Most Reverend Edward K. Braxton
Bishop of Belleville**

**Philosophy and Purpose
Of
Catholic School Athletic Programs
In the
Diocese of Belleville**

The Catholic school athletic programs exist in the Diocese of Belleville to enhance the relationship between faith, religious practice, and the activities of daily living. Sports programs are an integral part of the Catholic educational and catechetical mission.

All activities within the Catholic school environment are designed to assist this mission by helping young people develop a strong moral character* based in faith. The educational experience is meant to bring the entire person (mind, body, and spirit) closer to his or her realization that every child is made in the image of God. This character development must underlie the total daily school experience.

Every aspect of the school experience must contribute to this endeavor from the quality and thoroughness of academic work, to how the students behave and treat one another, and to how they play on the playground. Formal athletic programs offer a unique opportunity for adults to supervise youth in the application of Christian principles learned in the school environment to the often highly emotional past time of sports. Athletics is one of the most effective ways to teach Applied Christianity.

For instance, school athletic programs present ideal opportunities for teaching youth important life lessons: setting and meeting goals, controlling impulses, overcoming challenges and obstacles, and learning to sacrifice for the good of others. Playing sports can teach youth self-discipline, respect, responsibility and perseverance, and generate moments of pride, satisfaction and joy, regardless of the wins and losses a team may experience.

All of these virtues and social and emotional abilities are at the core of the Gospel message. Making connections between such virtues and abilities and the person and teachings of Christ is one of the challenges of making a sports program a truly Catholic experience, which is the challenge facing every Catholic school.

It is imperative that school leaders and coaching staffs work closely together to ensure that the athletic mission contributes to the school's overall spiritual mission. The school's academic and athletic programs, as well as all school activities, must contribute to the spreading of the Gospel. Teaching and coaching philosophies within the school must be frequently evaluated to make sure they are reflecting the values of Jesus.

*A strong character is formed and maintained when an active and well-formed conscience becomes a consistent moral guide, and such virtues as patience, generosity, honesty, obedience, compassion, understanding, respect, tolerance and prudence become habits of thought and action.

- C. Coaches' actions shall be such that they promote good sportsmanship among everyone present.
- D. Coaches shall always remember that their actions reflect on the reputation and good name of his/her school.
- E. Coaches shall treat all officials with respect.
- F. It is strongly suggested that coaches know the rules of the game and do not dispute judgment calls.
- G. Coaches shall treat their players with respect at all times.
- H. Under no condition shall champagne or any other alcoholic beverage be part of any team celebrations.
- I. It is strongly recommended that each player be given an adequate opportunity to participate.

5.2. The coach is also responsible to see that:

- A. Players do not use abusive language.
- B. An athlete's actions shall be such that they promote good sportsmanship among everyone present.
- C. An athlete shall always remember that his/her actions reflect on the reputation and good name of the school.

- D. Athletes shall treat all officials with respect.
- E. Under no circumstances (in speech or actions) shall a player or cheerleader question an official's calls.
- F. The coach or supervisor shall arrive at the game with the team and be present in the dressing room before and after a game.

5.3. Code of Conduct for Coaches, Players, Parents, and Spectators:

Each school may make such additions as seem necessary to promote good sportsmanship. Each school shall set a code of behavior for their fans which promotes good sportsmanship and takes into account the level of competition. The coach and athletic director shall be responsible for enforcing the code of behavior for fans.

Any official, coach, principal, parent, etc., has the right and is encouraged to inform the Office of Education when anyone violates these codes. A letter shall be sent to the Office of Education and a copy to the principal of the school in question. The Office of Education will rule on these matters.

Therefore, the coach, along with the school athletic director, is responsible to see that:

- A. Parents/fans and supporters of the school athletic program do not use abusive language directed at the referees, players and coaches from other teams. Parents must attend mandatory parent meetings prior to their child's participation in sports. Each school's Athletic Director and Principal will devise their own method of arranging these meetings. No child can compete in diocesan sports unless the parents attend this meeting. Each parent is to receive a copy of the diocesan sports policy.
- B. Parents/fans and supporters of the school athletic team treat all officials with respect and refrain from criticizing officials during and after games.
- C. Parents and fans are reminded that their actions reflect on the reputation and good name of the school. IT IS RECOMMENDED THAT PARENTS REFRAIN FROM MAKING EXTREME NOISES DURING ANY ATHLETIC CONTEST, e.g. BANGING ON BLEACHERS, OR LOUD NOISES DURING FREE THROW ATTEMPTS, SERVES IN VOLLEYBALL, ETC.
- D. The actions of parents and fans promote good sportsmanship among everyone present.

NOTE: Starting in 2000 the above statements are optional and do not necessarily need to be read before the start of any diocesan controlled events. Each school should have the parents sign the *Win the Prize* parents' pledge card. It is further suggested that each school hold a parents' meeting prior to the start of each sport or one large meeting to cover good sportsmanship practices that would support the *Win the Prize* program and cover the Diocesan Sports Policies and Regulations.

- E. Any Coach, Player, Parent, or Spectator ejected from a game will receive a one

game suspension, and may not attend the next contest. This suspension includes any game for the rest of that day and the next scheduled game.

Two ejections of a coach, player, parent, or spectator will result in an automatic suspension for the remainder of the school year for all athletic activities.

Starting in 2000, each school should submit an Incident Report form to the Diocesan Office of Education in the event of any unsportsmanlike conduct by coaches, players,

parents, and fans. These reports should be submitted within 24 hours and should not be based on the calls of officials or referees. A copy of any Incident Report will be sent to the principal of the offending school.

F. An incident report should also be filed if a school does not provide for adequate certified officials and does not do everything possible to be a responsible and gracious host.

- 5.4. A. Any parent or fan disregarding these guidelines shall be asked to leave the gym or playing field. If the parent or fan disregards the request to vacate the area, the game shall not continue until the person(s) leaves and could result in forfeiture of the game. The coaches of both teams shall see that these regulations are enforced. Any parent or fan that consistently violates these regulations shall not be allowed to attend games until determined by the principal or parish athletic director. ANY COACH REFUSING TO ENFORCE THESE REGULATIONS SHALL BE SUSPENDED TEMPORARILY OR PERMANENTLY AS DETERMINED BY THE PRINCIPAL OR SCHOOL ATHLETIC DIRECTOR.
- B. WHEN THE PRINCIPAL OR ATHLETIC DIRECTOR IS NOT PRESENT AT AN ATHLETIC EVENT, IT IS THE RESPONSIBILITY OF THE COACH TO INSURE PROPER FAN BEHAVIOR.

5.5 When School teams stay at hotels, motels, etc., each school must provide a designated supervisor to oversee the behavior of both parents and students.

6. Salary/Stipend Guidelines for Coaches & Athletic Directors

- A. It is encouraged that school athletic directors receive a stipend depending on the financial condition of the school and athletic program.
- B. It is encouraged that a stipend be offered to each person coaching a school team, and that a stipend be offered for each team coached, depending on the financial condition of the school and Athletic program.

7. Team Size/Cutting of Players/Team Composition

G. Schools may determine the size and composition of each team. When team rosters exceed the recommended team roster limit the school shall add additional teams as needed. These additional teams may be based on player ability. Availability of facilities for practices and games, and the availability of other teams to play may necessitate varied opportunities for practices and games among school teams.

H. When a school does not have a sufficient number of students to participate in a certain sport, the principal and athletic director shall contact the Office of Education to seek available roster spots. When a neighboring cluster school does have roster spots the two principals must agree with the registering of the student(s) for the team. The principals shall work with their school's AD's to place the student(s) with a school team, when both schools agree. This will be done on a sport-to-sport basis but must be done prior to the beginning of that sport season. When the two principals agree, a written request or e-mail must be submitted to the Office of Education. If a school takes players from

another school, they must take ALL AVAILABLE players from that school. The combining of schools cannot take place until written permission is given from the Office of Education. If a school does not cluster with any other schools or there are no roster spots within the cluster available, the Executive Committee for Athletics will suggest a list of schools within the Diocese that may be contacted regarding possible roster spots. # Only students officially enrolled in a Catholic school in the Diocese of Belleville can compete in school and Diocesan sports activities. Home-schooled and Parish School of Religion (PSR) students are not eligible. When a Catholic school is unable to meet the academic needs of a student/s, student/s will be eligible to participate in the school's athletic program. The student/s must be enrolled in the Parish School of Religion. Any exceptions to this rule must be submitted in writing or e-mailed to the Diocesan Office of Education and must be approved by the Executive Committee for Athletics.

When schools combine with other schools for a particular sport it could elevate them from small school classification to large school status for Volleyball, Basketball and Track according to total enrollment numbers.

***When sending in rosters please note if student is from another school.**

7.1. Team Size/Team Composition

- A. Written justification is required for any student moving up two grade levels to play. Permission must be obtained from the parents, athletic director, coach, principal, and by the Office of Education.
- B. A 5th or 6th grade student may play on a "B" or 7th grade team with the permission of the parent, athletic director and coach, and principal.
- C. Permission to play on both a Junior and Parochial team for any diocesan tournament must be received by the Office of Education before the start of a tournament. For this to occur, the principal's permission is needed.
- D. Team rosters shall be submitted to the Office of Education no later than two weeks into the season of that particular sport. Rosters must be received from all schools whether you play in diocesan tournaments or play in your area. ONLY those on that roster will be allowed to participate in the diocesan tournament or event. The roster must include all players and all coaches.

Note: Any exceptions must be approved by the principal and the Office of Education.

F. 4th Grade Organized Sports

While activities may be organized to provide introductory 4th grade athletic experiences, no school may conduct a long-term competitive season at this level. Teams shall engage

in a maximum of (4) scrimmage activities. These activities are subject to Diocesan regulations. (This does not apply to soccer.)

8. Playing Time

- A. Playing time and selection of starters in grades seven and eight will be up to the discretion of the coaches and will be dependent upon a coach's evaluation of an individual student's ability, attendance, attitude and behavior at practices and games.
- B. The emphasis of the athletic program in grades five and six shall be learning fundamental skills and gaining self-confidence. Coaches shall give each student as much playing time as possible (**this does not mean equal playing time**) as well as a chance to start some games; however student's attendance, attitude, and behavior at practices and games also will determine the amount of playing time. All rostered players shall have played by the end of the game in all diocesan controlled sporting events.
 - **Minimal playing time for time sports at the junior level for rostered players should be no less than one minute.**
 - **All players in junior volleyball must play before the end of the second match.**
- C. Students and parents who have questions, concerns, or complaints should first consult with the coach after 24 hours have elapsed from the time of concern. In the best interests of the children, both the parents and the coaches should make every effort to keep the lines of communication open. Whenever an issue is not able to be resolved, the parent, student or coach should approach the athletic director and then the principal.
- D. It is required that all parents be informed and given a copy of the Diocesan Sports policy at the beginning of each sports season of the school's policy and guidelines regarding team composition, playing time, and player eligibility, as well as, parent and coach behavior at games.
- E. School athletic programs are encouraged to develop their own criteria in addition to that stated above for playing time at each grade level.

9. Cheerleading and Pom Pon Squads.

- A. A school may have one cheerleading or pom pon squad. This squad should be composed of eighth grade students. Only seventh grade students may be on the squad if there are not enough eighth grade students for the squad. This must be approved by the principal, pastor and School Board of Education before a seventh grade student can participate.
- B. A student shall participate in only one team sport or athletic activity at a time. The four activities per week rule, #2A, apply for cheerleading.
- C. There may be no more than 8 members of the squad on the floor at all times. This rule does not pertain to half time dance routines.
- D. A squad shall cheer for one "A" game each day. Under no circumstances may any squad for a school perform at fifth, sixth, or seventh grade games.

- E. The awarding of trophies for cheerleading squads at basketball tournaments or games shall be eliminated.
- F. The cheerleading squad should have an appropriate time and place to practice with proper supervision. Attendance at games and practices must be properly supervised and must follow the same guidelines established regarding the boys' basketball teams.
- F. Cheerleading moderators must be certified and approved by the Office of Education

and be approved by the principal and athletic director. The cheerleading moderator is under the direction of the athletic director and must be 21 years of age or older. An adult moderator or supervisor must always be present at games and practices. All drills, movements, and routines shall be approved by the cheerleading sponsor, athletic director, and principal prior to implementation. Under no circumstances shall what is considered "acrobatic" activities be included in a cheerleading routine. The following activities are not allowed:

1. standing, sitting, kneeling on backs and shoulders;
2. flips, round-offs, back hand springs – either with or without hands touching the floor;
3. propping oneself off the floor on another's legs;
4. Pyramids of any sort.

This policy also includes public school teams utilizing a Catholic school facility.

*** Failure to follow this regulation may result in total ban of cheerleading and/or forfeiture of games the cheerleaders performed at.**

10. Team Behavior

- a. Grade school years are a time for the development of friendships. Placing students in an intense competition with each other in school-sponsored extra-curricular activities is not conducive to the formation of friendships and often results in unnecessary stratification. Therefore, any athletic team or cheerleading squad that is judged to be a disruptive element in the school by the principal and/or athletic director may be immediately disbanded for the duration of the season.

11. Player Eligibility

- A. A player may be suspended or dropped from the school team only for major violation of school or parish policy. This can include repeated violation of published policies set forth by the athletic program. These policies should include statements on student attitude and conduct.
- B. A student placed on probation or suspended from school is ineligible to participate in school sports activities until the probation or suspension is lifted.

- 11.1 Each school board of education and athletic committee shall develop a fair and just policy and procedure with appropriate guidelines that could allow all the youth of the school the opportunity to use the athletic facilities of the school.

11.2 All students participating in the sports' program must have a physical exam each year, and have a copy of the report on file.

- A. A request permission form must be on file with the principal for each student participating in the athletic program; it should be signed by a parent or guardian. An emergency form for each student should also be on file.
- B. It is recommended that the coach also be given a copy of these forms.
- C. The permission form should also include information about the type of health insurance the student has.

11.3 Student classroom behavior and academic progress.

- A. A student's classroom behavior and academic progress is best handled by the teacher and principal and, therefore, should remain a school and parental concern not usually connected with the school athletic program.
- B. A student may not be excluded from participating in sports activities because of low grades or unfinished homework. However, if it is determined that a student's extra-curricular activities interfere with the student's academic progress or classroom behavior the student may be excused for a time. These situations shall be thoroughly investigated by the teacher and principal before any disciplinary action is taken regarding athletic sports participation.
- C. Any disciplinary action connected with the school athletic program should be **discussed** with joint participation by the student, teacher, parent, principal, coach and/or athletic director. **THE FINAL DECISION WILL BE DETERMINED BY THE PRINCIPAL.**
- D. Keeping in mind that the total welfare of the student is the primary concern, there are often many other effective and positive methods available that can help motivate a student's academic progress or behavior than excluding a student from playing sports.

11.4 Age Requirements

§ Parochial - (7th & 8th Grade) under 15 before September 1 of the current school year.

§ Junior - (5th & 6th Grade) under 13 before September 1 of the current school year.

Exceptions: Granted in writing by the Office of Education.

- 12. A. For all athletic events, schools must use I.H.S.A. certified referees or other state or diocesan certified officials.
- B. When uncertified or insufficient numbers of officials occur a school has the following options:

1. The home team forfeits and there is no game.
2. The home team forfeits and the game is played.
3. Both teams play the game with the signed agreement of both coaches and results count in league standings.

For all athletic contests, timers and score keepers must be at least 16 years of age. If not, rules 12A and 12B apply.

For those schools involved with soccer: All referees must be certified by the Illinois Youth Soccer Association or the Illinois High School Association (Starting Fall 2004).

13. Each local Board of Education should develop a philosophy statement on the purpose of elementary level athletic activities. The philosophy statement should be designed so that elementary athletic programs have their proper place in the lives of the students. School athletic activities should be enriching and enjoyable, and foster Christian charity. Excessive emphasis on winning and competition is not consistent with this approach and is, therefore, to be avoided.
14. Only Catholic elementary schools are eligible for participation in Diocesan sponsored elementary school tournaments.
15. Enforcement
 - A. After a thorough investigation, any school athletic program found to be in willful violation of these published policies, will be given a warning or placed on suspension. Notice of a probation or warning will be sent to the principal, School Board of Education and the athletic director.
 - § The length and degree of probation is to be determined by the Diocesan Executive Council for Athletics and/or the Director of Education for the Diocese.
 - § If a school program on probation does not correct the violations, the program will be placed on suspension and all other Diocesan school athletic programs will not be able to schedule the suspended school in any athletic activity until violations are rectified.
 - § A school athletic program may appeal the Executive Council's decision to the Diocesan Board of Education.
 - § Any school or individual that repeatedly violates Diocesan sports policies will be evaluated by the Director of the Office of Education. If the situations warrant it, they or their school may be suspended from diocesan school athletics.
 - A Diocesan Tournament Supervisor will be assigned to attend each Diocesan Junior and Parochial Tournaments. The Supervisor will have the authority to enforce Diocesan policies with appropriate sanctions. Sanctions can include forfeit of game and dismissal of parents, players, or coaches from the premises on game day. There will be a written

report given to the Coach, the Office of Education, and the school principal at the end of each game.

16. Executive Council

A. The Diocesan Executive Council for Athletics will be convened by the Office of Education. The procedure for changing Sports regulations is as follows:

1. The Athletic Director should meet with the Principal of their school.
2. Recommended changes should be discussed at the area principals meetings.
3. Recommended changes should be discussed at the executive committee of the AEP.
4. These changes will be discussed at the Executive Council of Athletics meeting.

5. SCHOOL RESPONSIBILITIES IN HOSTING ATHLETIC EVENTS.

A. A PERSON SHALL BE DESIGNATED TO OVERSEE, SUPERVISE, AND COORDINATE EACH ATHLETIC EVENT HELD AT A SCHOOL.

B. THE PERSON SUPERVISING THE ATHLETIC EVENT MUST BE SOMEONE OTHER THAN THE COACH WHO IS PARTICIPATING IN A GAME.

18. EVERY SCHOOL IS TO ADOPT AND FOLLOW A “24 HOUR” COOLING OFF PERIOD ON ANY CURRENT COMPLAINT OR FROM A PRIOR GAME TO DIFFUSE POTENTIAL PROBLEMS BETWEEN PARENTS, SPECTATORS, OFFICIALS AND COACHES.

19. IF A SCHOOL DOES NOT SHOW UP FOR A DIOCESAN TOURNAMENT GAME THEY WILL BE FINED \$250.00. IF THEY CANCEL 24 HRS. BEFORE THE TOURNAMENT THEN THEY WILL BE FINED \$150.00. THE HOST SCHOOL IS TO NOTIFY MARY SCHILLING AT THE OFFICE OF EDUCATION. AN INVOICE WILL BE SENT BY THE OFFICE OF EDUCATION TO THE SCHOOL BEING FINED WITH PAYMENT TO BE MADE TO THE DIOCESE OF BELLEVILLE. Holy Childhood School Band Program 2018-2019 Grades 4 - 8

Dear Parents,

As we begin the year, we want to be sure that you are aware of our Band Program. Mrs. McCuddy-Bonsall is looking forward to the 2018-2019 season.

As you may know, while they do practice as a group, Mrs. McCuddy-Bonsall gives lessons to learn the instruments. This happens each week. There is a \$15.00 fee per month per child. This is very reasonable and has not changed in a number of years.

The fee for September through April is 8 months @ \$15.00 a month or \$120.00. If you would like to pay it in advance, there is a reduction in fees. This fee is \$100.00. Please note below which option you will be taking.

Sincerely,
Mrs. Dougherty
Principal
