

Math 12:05 - 1:05

# Second Grade News

## News in Our Classroom

It is hard to believe that it is May!! Second grade has been learning about wants and needs in Social Studies, some of the planets in Science, and Fractions have been introduced in Math class.

The class is continuing to write paragraphs in English and are improving each time. Students are answering questions in complete sentences on worksheets. We are preparing for them to move on to third grade.

The school picnic is coming up and the class voted for red as their t-shirt color. There will be more information coming home soon. Pray for a nice day!

Have a great rest of the week!!

## Important Dates

May 11<sup>th</sup> - Library Awards and Book Raffle

May 14<sup>th</sup> - School Picnic Day

May 21<sup>st</sup> - Last Day for Grades 1-7

English - The class is learning what the helping verbs are and how to classify an interrogative sentence.

Math - Fractions are being covered as well as reviewing two digit addition and subtraction. Please review addition and subtraction facts at home.

Phonics - The class is completing worksheets with a passage and different consonant blends to look for.

Reading - Carl the Complainer is the current story. It is about writing a petition and receiving signatures.

Religion - The Church Lives Today is the next chapter. We are discussing Bishop's and The Pope and how a Pope is chosen.

Science - The Moon will be the main topic and the class will make a foldable of facts about it. It will be about the phases and how it looks from the Earth.

Social Studies - Needs and Wants is the current lesson. The class watched a short video and will complete a foldable to go with it classifying what we need and want.

## Congratulations to second grade on receiving First Communion!!!
