A Note from the Teacher

- Monday, I sent home some great tips for learning about letters at home. Please take the time to read it and try to incorporate a few of these tips in your daily routine. Reinforcing what we do in the classroom is a great way to promote & encourage learning!
- Please continue to have your child practice fine motor skills at home. The handout I sent home the other week has many great ideas for you to implement! These skills are vital to your child's success in Pre-K!
- We will be walking across the street to church so we can see some statues and stained-glass windows of angels and discuss their guardian angel. We will learn about and look at the altar at church and talk about Jesus's friends the apostles during letter Aa week.
