

Tuition For Holy Childhood Catholic School for 2024-2025

With the rising challenges facing our Catholic Schools, not only in the area, but across the nation, there is a need to stay competitive and provide the best education for our children. We believe our tuition rates are relative to all private schools in the Belleville Diocese. This letter is to inform you of those rates for the 2024-025 school year.

With the loss of the Empower program, Holy Childhood will still be able to provide financial scholarships for families in need. We will be working with our FACTs System to provide a clearing house program that will allow us to determine the percentage of need for each family. Details will be coming shortly. We want to support you, and we want every family desiring a Catholic education for their children to have that opportunity.

The tuition table for Parish Families is for registered, active, participating and contributing parishioners of Holy Childhood Parish. This tuition is based on families receiving a parish subsidy for each Kindergarten – 8th grade child.

To receive the discounted parish family tuition rate, it is understood that your family promises to be committed to the parish by participation in the prayer life of the community, by supporting the community financially, and through ways that you can use your time and talents to help with the activities of the parish/school. If your life circumstances limit your ability to give financially, please reach out to the Pastor.

Families that are registered and active in other parishes can receive the parish family tuition rate if the other parish is identified at the time of registration, and that parish will then be contacted to assist with a subsidy.
