

September Newsletter

Parents,

The children have settled in nicely at school. They are a bit quiet but that will change as they get to know each other 😊 We will be starting our new curriculum in September. We use Mother Goose Time Experience. The crafts, games, and activities are wonderful! Our theme for September and October is Family and Pets. Your child will have the chance to discuss the people who are most important to them as they learn about who and what makes a family. They will explore ways to nurture and develop positive relationships with family members, friends, and themselves. Through art, music, and storytelling, your child will explore their feelings. While learning about different kinds of pets, they will practice taking care of pretend pets and learn about responsibility. At the end of October, your child will learn character traits that will help them to be caring, generous, helpful, encouraging, and cooperative.

School pictures will be in October but I do not have the information yet. I'll pass it along as soon as I get it 😊
