

FAQ's and additional information

When applying, can I just use my same FACTs account I already have?

Unfortunately, you cannot use your current FACTs account. You will need to create a new account for this process and cannot use your current FACTs account information.

Is FACTs awarding the scholarships itself?

No, FACTs is simply "doing the math" to determine eligibility and percentage. The ultimate decision on who will receive a scholarship, as well as the amount, is based solely on the decision of HCS Parish Administration. Father Mark Stec will make the ultimate decision for who receives scholarships and what amount. This is based upon the suggested amount provided by FACTs including recommendations by Mr. Don Norrenberns and Mr. Keefe (see "Transparency" below).

If I am awarded a scholarship, how will it be applied?

The convenience of going through the FACTs system, is that the scholarship amount will be applied to your annual tuition.

The link to apply through FACTs is here: <https://online.factsmgt.com/grant-aid/inst/42MTH/landing-page>

The Link can also be found on the school website under "Current Students".

"Transparency Steps":

1. HCS will receive name and suggested money allotment from FACTs for a particular family.
2. Father Mark and I review information from FACT's and make final scholarship decisions.
3. Letters are sent to families informing them of decision.
4. Parents have an opportunity to appeal decision to Father Mark and myself.

*We understand that the information that you provide to FACTs and the information we receive requires the utmost privacy. Only staff members with a direct need to access your financial information will be provided this information.
